PROFESSIONAL SUMMARY

Operations analyst with 8+ years of experience improving logistics workflows, reporting, and vendor costs for mid-size retail and freight companies. Comfortable owning projects from data pull to executive readout.

EXPERIENCE

Senior Operations Analyst *Mar 2021 – Present*
Harbor Logistics Group, Austin, TX

- Cut average order-to-ship time by 22% by redesigning the dispatch workflow across 4 warehouses.
- Built weekly KPI dashboards in SQL and Excel used by 12 regional managers.
- Led a team of 5 analysts and mentored 3 junior hires into full-time roles.

Operations Analyst *Jun 2018 – Feb 2021*
Brightline Retail, Dallas, TX

- Automated month-end reporting, saving roughly 30 hours per month.
- Negotiated freight contracts that reduced shipping spend by $180K annually.
- Partnered with finance to forecast seasonal inventory within 4% accuracy.

Logistics Coordinator *Aug 2016 – May 2018*
Lone Star Freight, Houston, TX

- Coordinated 60+ weekly inbound and outbound shipments.
- Resolved carrier disputes and reduced claim turnaround from 21 to 9 days.

EDUCATION

B.S., Supply Chain Management *2012 – 2016*
University of Texas at Austin
